

PEPPERONI PIE

TEST BATCH · V1

Grand Royale Pizza, Petoskey. One 12-inch pie on a 260 g Roberta's ball. Deck oven, not wood-fired. Five things on the dough.

1. DOUGH (ROBERTA'S, TWO BALLS)

INGREDIENT	GRAMS
00 flour	153
All-purpose flour	153
Fine sea salt	8
Active dry yeast	2
Extra-virgin olive oil	4
Lukewarm water	200

1. Flours + salt in a bowl. Stir water, yeast, oil together; pour in.
2. Knead a few minutes. Rest 15 min. Knead 3 min more.
3. Divide in two (260 g each), ball, damp cloth.
4. Rise 3-4 h at room temp, *or* fridge 8-24 h (up to several days), then 45 min out before shaping.
5. Stretch by hand to 12 in, 1-in rim. Never a rolling pin.

65% hydration, half 00 / half AP.

2. SAUCE (RAW, ROBERTA'S WAY)

- Whole peeled tomatoes, drained, juice out. Bianco DiNapoli first pick; Stanislaus Alta Cucina for value. Not crushed, not purée.
- Blitz nearly smooth + a splash of olive oil + fine salt (about 1% of drained weight). Taste. Do not cook.
- **85 g per pie**, spread to a 1-in rim.

3. CHEESE

- Low-moisture **whole-milk** mozzarella, grated from the block. Grande WM loaf; Galbani WM as the stand-in. Never pre-shredded, never part-skim, no fresh mozz on this pie.
- **140 g per pie**, applied sparingly so the top goes mottled red / white / brown.

4. PEPPERONI

- Cup-and-char, natural or collagen casing: **Ezzo GiAntonio** (Supreme if you want it hotter and blacker). Sticks: Vermont Smoke & Cure or Boar's Head, hand-sliced 2.5-3 mm.
- **28 slices, 38 mm, about 42 g**, laid *on top* of the cheese so the lip cooks first and cups. About 60% coverage raw; they shrink.

5. BUILD AND BAKE

STEP	ITEM	AMOUNT
1	Dough ball, stretched to 12 in	260 g
2	Raw sauce, to a 1-in rim	85 g
3	LMWM mozzarella, grated	140 g
4	Cup-and-char pepperoni on top	28 slices / about 42 g
5	Deck at 550-600°F. Check at 5 min. Done when the pepperoni cups and the cheese has brown spots.	6-8 min
6	Out of the oven: pinch of dried oregano + grated pecorino romano	pinch + about 3 g
opt	Olive oil thread / Mike's Hot Honey (named variant or upcharge, not default)	about 2 g / 10 g

No basil, no garlic, no chili by default, no ranch, no second cheese. **Polish is the enemy; so is clutter.**

6. BUY IT NEAR PETOSKEY

- **GFS Store**, 1010 Spring St, 231-348-8247. Fontanini natural-casing sliced (#704931), Tavolini cup-and-char (#527274). Ask about Grande / Ezzo / Bianco.
- **Sysco** delivers from the Alanson depot; ask a rep for Ezzo + Grande.
- Ezzo is wholesale only (BoxNCases ships 25-lb cases). Bianco DiNapoli: distributor finder or Faire.

7. STILL TO SETTLE (PAT + TODD)

- Raw sauce vs Kenji's cooked NY sauce: bake one of each, side by side.
- Pre-sliced Ezzo cases (about \$12/lb, consistent) vs hand-sliced sticks (Mama's Too look, more labor).
- Hot honey: a named pie or a per-pie upcharge?
- Bake time and finish amounts: starting points. Dial in on the real oven.
